

## **Conduct Expectations for Sleepover Guests**

To make everyone's evening an enjoyable one, we ask that everyone adhere to the following guidelines during the Sleepover:

- One chaperone is required for every three children, and must stay with them at all times.
- Chaperones are responsible for the behavior of their group throughout their stay at *A Night at the Museum*. Children are not permitted to play on stairways, escalators or elevators and are expected to be respectful to others.
- Please do not run or yell while in the Museum.
- No food or drink is allowed outside of the lunchroom area.
- Please do not go to floors that are off-limits during the Sleepover; follow your schedule.
- Shoes or slippers must be worn throughout the evening. No *Heelys* are allowed.
- After Lights Out chaperones are responsible for keeping their children in their cots.
- All MP3 players, electronic games or devices should be turned off after Lights Out. Cell phones should be put on vibrate.
- Alcohol is not allowed on the premises during Sleepovers. Violators will be asked to leave.
- There is one cot per person – please don't put items on another cot.
- Please do not move the cots – fire laws dictate we must adhere to the layout.
